Pie Sale Payment Worksheet

Student: _____ Phone #: _____

Dear Parents,

I am writing to clarify an issue regarding the Pie Sale Fundraiser and provide a helpful worksheet to calculate your camp payment. The back side of the flyer that was sent home provides information on the "Make and Bake Pie Kits" and indicates that students will generate $5.00 to be applied directly to the participating student's camp bill for each Make and Bake Pie Kit sold. This is accurate information. What was omitted from the flyer is that the benefit to students for selling the other items (Fresh Baked Pies and the Make and Bake Apple Dumplings) is $4.00 per item sold. This was the agreement we had with Traverse City Pie Company, and I apologize that this was not made clear in the flyer**. Once again, the credit to a student's camp payment will be $5.00 for Make and Bake Pies and $4.00 for Fresh Baked Pies and Apple Dumplings.**

Payment must be made at the time the order is placed. Checks should be made payable to DeWitt Junior High School. **Order forms with payment are due back in the office on Wednesday, September 27.** Please use the worksheet below to help determine the amount of payment for camp due along with the Pie Sale order form. The work sheet credits the family the appropriate amount for each item sold and indicates the balance due for camp.

The pies will be delivered on Tuesday, October 17th. They must be picked up between 2:00 and 6:00 p.m. on the date of delivery.
